We created a pre- to post-trip curriculum.

- Skills & knowledge for students to be active & healthy
- Opportunity to participate regularly & safely in physical activity.
- Learn to develop and improve personal fitness
- Acquire movement competence to participate in a range of physical activities

Special Needs Leader!

- 2013 Ski Area of the Year from the Canadian Association of Disabled Skiers
- Karl Hilzinger Award for Exceptional Special Needs Service

“Our focus is on ability, not disability.”

In addition to learning how to ski, the program increases self-awareness & confidence for those who normally might be shut-ins.
