

Let Your Team Soar!

with a skydiving experience

Be Awesome!

Take your employee teambuilding to the next level with skydiving.

We provide a dedicated airfield space for your team members.

An extraordinary experience that will last a lifetime.

A tandem skydive involves communication, trust, and support. Those are also great qualities to develop with your team. Join Aria and Raul, internationally-trained skydive instructors, for an incredible corporate experience.

Branded Video

Your experience includes branded video you can share many ways

Skydive Support

Colleagues not skydiving can cheer on their teammates from the airfield

Customized Options

We can add lunch or snacks, beverages and music

Personal Certificates

Every skydiver gets a certificate recognizing their achievements
